ABOUT ME

Freelance editor since 2023, with over 15 years' professional experience and former Senior Editor at award-winning Stamp Productions in London. Experience in cutting short-form content, feature docs, commercials, sizzles and more. A strong communicator, comfortable working to tight deadlines, with an excellent understanding for narrative. My versatility and ability to work alone, or alongside a director or producer, means I can deliver a creative, engaging and meaningful end product.
